

Greenbelt Rules

- Respect, maintain and protect this biological resource as though it were yours. Enjoy the natural setting while leaving it unspoiled. Be considerate of others.
- For your safety and safety of others, use appropriate lighting after dark.
- Overnight parking, camping and sleeping in vehicles overnight is not permitted.
- The trail is designed for pedestrians and non-motorized vehicles. Protect the surrounding air quality and quiet.
- For the safety of wildlife and trail-users vehicles should not exceed 15 mph.
- Share the trail. Keep right, pass left, announce your presence and slow down when passing slower trail users.
- Public restrooms are available at Wildwood Park, Reservoir Park and Ft. Hunter.
- Refrain from swimming in the stream as it threatens the welfare of the natural fish and wildlife living there.
- Leashed pets are welcome. The Greenbelt is a safe-haven for all types of wildlife.
- Remember to clean up after your pet. Removal of all pet wastes prevents the spread of pet diseases.
- Respect private property. Stay on designated trails.
- Peaceful visitors are welcome. Hunting, fireworks, firearms/weapons, excessive noise, destruction of property, and disturbance of wildlife are not welcome.
- Alcoholic Beverages are prohibited.
- Due to the threat of fires, do your grilling at home. Campfires and charcoal grills are prohibited.
- Repairing and washing of vehicles should be done in your own yard or driveway, not ours.
- Help keep the Greenbelt clean. Leave no trace: carry out what you carry in. Clean up after less thoughtful visitors. Waste receptacles are available in many parking areas and trail heads or else take it home with you.

Report any inappropriate use of the Greenbelt to Dauphin County Dispatch (non-emergency): 717-558-6900. If needed, call 911.
